Press Release

Rochester-Olmsted Planning Department to host comprehensive plan community engagement sessions

The City of Rochester is updating our Comprehensive Plan. The document, Planning 2 Succeed (P2S), is intended to guide the growth of the entire city, particularly as concerns land use and transportation. This plan is a strategic document; not only does it describe the community's vision, it provides a framework of goals and policies that put the plan to work.

P2S is now in the review and editing stage. Planning Staff invites the public to attend one of these engagement sessions, learn about the vision and framework, and provide input. The sessions will be identical. The session times and locations are listed below. If you have questions, please contact Sandi Goslee or Jeff Ellerbusch at 328-7100 or planningweb@co.olmsted.mn.us.
